Thank you for your support

The NAIOP-Drexel Summer Real Estate Program is hosted & sponsored by NAIOP Greater Philadelphia, a 501(c)6 Organization, in conjunction with Drexel University. This program has been in existence for 8 years and has introduced over 180 students in underrepresented populations to a career in commercial real estate.

This is your opportunity as an individual or corporate sponsor to support this year's program, which can have a life-long impact on the students and create generational change in Philadelphia's CRE landscape.
